PROPERTY DETAILS

Gorgeous remodeled home in Harvey Park. 2 car garage plus workshop! Light, bright and open floor plan includes 4BR/2BA, plus an enclosed patio. Stunning new kitchen with granite countertops, tile backsplash and GE stainless steel appliance package. Beautiful refinished hardwood floors, cove ceiling and built-in shelving highlight the home's natural character. Bathrooms have been completely updated. New light fixtures, faucets and flooring make this 1950's ranch come back to life! Exceptional floor plan includes a finished basement with large bedrooms, family room, and lots of storage. Spacious lot with wood patio and storage shed. Home Warranty included. Brand new furnace and electrical service, new windows and doors. Short walk to the park.
