PROPERTY DETAILS

This is the one you have been waiting for, American cherry prefinished wood flooring throughout including the stairs! This 2-story townhome w/ mountain views in Granville West also has an attached walkout basement and 1 car garage. Only a short walk to the High Line Canal trail system, as well as the Cherry Creek Bike path! Super easy commute to Cherry Creek and Downtown! This open-concept townhouse also features a ground level patio w/ greenbelt access as well as a Trex deck with mountain views, large bedrooms, extensive storage and closet space, and a community pool. The kitchen boasts stainless steel appliances, a large pantry, a breakfast bar, as well as easy access to the dining and family room; truly a well thought out floorplan! Rare find on this amount of private outdoor space, the upper level deck is large enough to fit a grill & patio furniture plus the ground level patio is fenced and backs to the shared green belt. The icing on the cake is the HOA fees are low too & include water!
