PROPERTY DETAILS

Offer buyer broker CO-OP a full commission. Discover modern living in this beautifully designed, move-in-ready home in a peaceful neighborhood. Backing to a community park with a pool and playground, it balances convenience and nature. Enjoy nearby walking trails and easy biking access to Cherry Creek Trail. Inside, the open-concept layout is filled with natural light and high-end finishes, featuring new carpet, fresh paint, newly re-surfaced hardwood floors, modern tilework, under-mount sinks and elegant granite and quartz slab countertops throughout. The gourmet kitchen boasts a center island, spacious pantry and a generous eat-in dining area, perfect for living and entertaining. The main level includes a private study and mudroom. Upstairs, find a luxurious primary suite, two additional bedrooms with a stylish bathroom, and a large laundry room with utility sink. The full basement offers customization potential. The oversized and extra-height garage and many parking spaces around. Outside, enjoy a landscaped backyard with multi-level patios and mature trees. Conveniently located near I-25, 470, major shopping/business hubs, Centennial Airport, and a top-rated charter school. Immediate occupancy.
