PROPERTY DETAILS

The quaint Town of Parker meets every city convenience at Creek Side Condos! Upon arrival you will notice the great deal of care that goes into the community and continues into this pride of ownership home. Every finite detail was thought of making this space move in ready to the max, even a home warranty is incorporated into the sale! Many upgrades include brand new 4.5" baseboards in all main living areas and bathrooms, and all new stainless appliances along with recent Acacia hardwoods in the main living areas, newer carpet, newer granite counter tops throughout, custom designed master closet organization system, all newer fixtures and lighting. The washer and dryer, window coverings, and patio furniture are also included making this home turn key ready at its finest. Sun drenched main living areas boast an open concept, great room style design adorned with breathtaking rich Acacia hardwoods and calming tranquil tones ready for your personal design. The kitchen is the heart of the home where you can pass down your favorite family recipes gathered around the new stainless range or entertaining while you cook with your guests seated at the bar style eat-in seating area. A spacious and inviting master suite is your personal oasis featuring tons of room for any furniture design imaginable along with a sizable and private en-suite full bath. You will love the walk in master closet boasting a California design custom organization system. A generously sized second bedroom and additional full bath complete this thoughtful layout of one floor living. Minutes to Old Town Parker and Mainstreet where you can opt outside at O-Brien Park or take in the Parker Farmer's Market every Sunday boasting many local vendors from fresh bison, farm to table produce, food trucks, and much more. Whether you are after fun on a Saturday evening at the Tailgate with live music or taking in brunch while you catch up with friends at a casual eatery, Old Town Parker has limitless fun.
