PROPERTY DETAILS

Welcome Home! You will love the inviting atmosphere and special touches to this home! Custom details throughout including custom cabinetry, cedar-lined walk-in closet, metal ceiling tiles, and conveniently added screens for exterior doors are just a few. This home has the perfect outdoor space with two large covered decks in the back yard that offer beautiful Eastern views and overlook your garden beds. Tall windows and skylights on the main floor bring in lots of natural light! The open living area has stunning wood floors and French-style doors connecting the back deck to the kitchen/dining area. The kitchen features elegant granite counters and creative cabinets, with a window through to the dining and living area. The master suite is elegant and romantic with a five-piece master bath. The walk-out basement is perfect for additional living area for kids or visitors. Updates include: stunning floors, new light switches, new doors and hardware, new A/C unit, new furnace, tank-less water heater, newer retractable windows, new gutters, and roof is only 2 years old. And did we mention no more popcorn ceilings! Come see this charming Countryside home!
