PROPERTY DETAILS

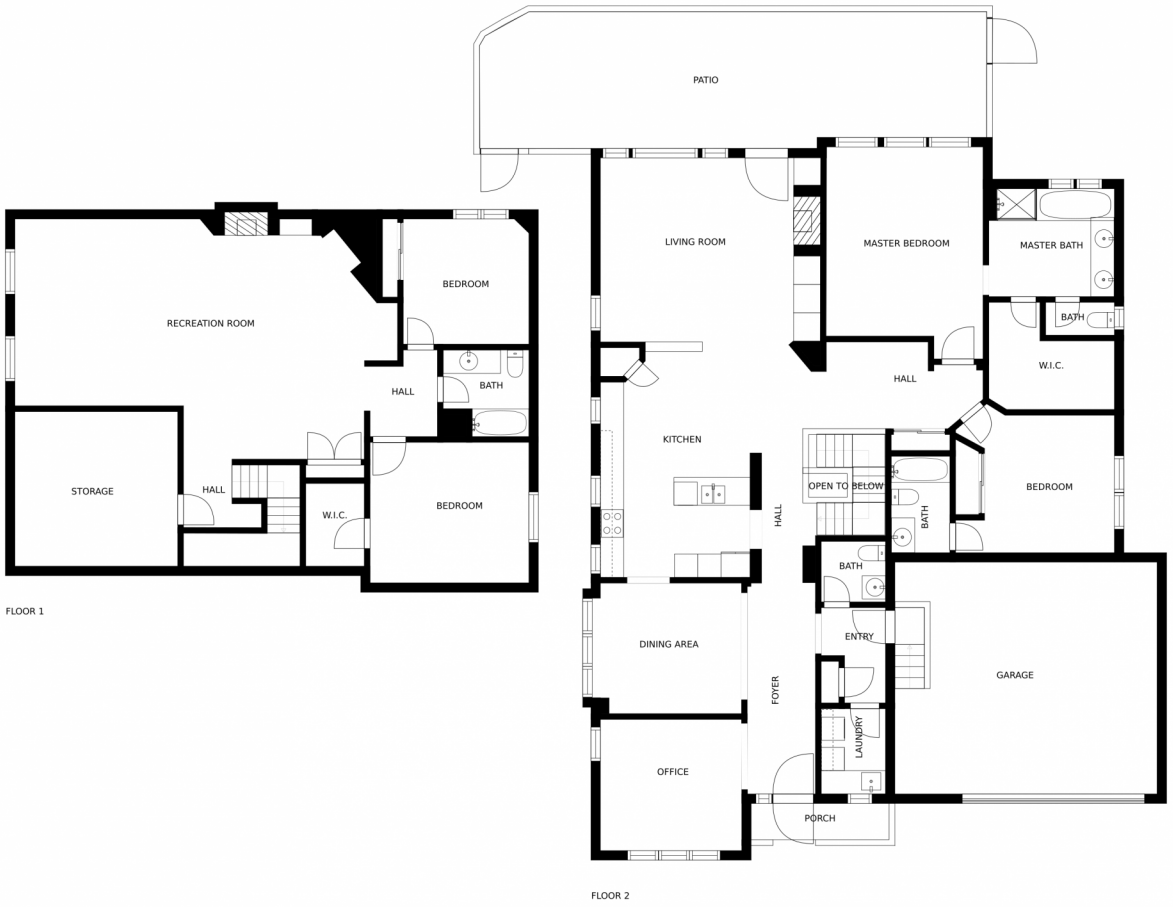

Bright & sunny open floor plan with vaulted ceilings. This well maintained home is located in a quiet community where the HOA maintains the grounds - no more mowing! There is an office/den/library as you enter, convenient for those who work at home. The large eat-in kitchen features maple cabinets and granite tile counters with bar seating and entrance to formal dining room. The vaulted living room features a gas fireplace, beautiful custom built-in woodworking, hardwood floors and opens to the private pergola patio with views to the West. The main level also offers an office with built-in custom woodworking located just off the kitchen/living room. The generous master bedroom has a vaulted ceiling with large walk-in closet and en-suite bathroom. 2nd bedroom also has its own full bathroom. 1/2 bath and laundry room with storage rounds out the main level. Finished basement offers massive family room with gas fireplace and is wired for sound. 2 additional bedrooms (1 with walk-in closet) and 1 full bathroom are included in lower level. Unfinished utility room has plenty of room for storage. Exterior has newer paint & roof, plenty of flower beds with many colorful perennials. This property is conveniently located near shopping and C470 with easy access to all of Denver and the mountains. Virtual Tour https://vrtourhosts.com/listing/37111
