## PROPERTY DETAILS

Charming house in the foothills with rich history! Originally a hunting cabin, it features rustic half log siding, reclaimed barn wood, and stone interiors. Enjoy refinished hardwood floors and stunning views from expansive decks. Unique touches include hand-painted tile, a kid's room loft, built-in bookshelves, and an open master suite with a stone fireplace and five-piece bath. Outside, relax by the pond, garden in the three-season greenhouse, or gather fresh eggs from chickens. New fencing, flagstone pathways, and hammock spots with Black Mountain views. Recent updates include a high-efficiency furnace and hot water heater. Conveniently located near amenities and 40 minutes from downtown Denver. One deck needs repair, reflected in the price. This is the agent's personal retreat.
