PROPERTY DETAILS

Spectacular remodeled home in desirable Seven Lakes! This is not a fix and flip - the long time owner (26 years) wanted to sell a home that buyers will be proud to own! Amazing upgrades, including new kitchen cabinets, countertops, stainless steel appliances, baths, laminate flooring, paint, electrical, plumbing, vinyl siding and more! Brand new roof shingles will be installed prior to closing, and even the electrical panel has been upgraded! The kitchen has been opened up to the dining room to make it even more inviting. The windows and sliding glass door have been replaced with energy efficient double pane windows. The bedrooms are generously sized, and the basement is unfinished and ready for your creative touches. Vaulted ceilings and extensive windows make this home fresh, light and bright.! Located on a corner lot in a quiet cul de sac, this could even have RV access if someone wanted to install it. Easy access to shopping, dining, and various work locations + Cherry Creek Schools. There's so much more but this is the type of seller that you want to buy a beautiful home from! Although the snow looks great, know that there is dirt below, so plan on a landscaping project in the spring. Truly an exceptional home for an exceptional buyer! Complete photos will be uploaded on 2/3, with showings beginning on 2/4 @ 12:00pm.
