

Condominium 1307 SQFT 2 Beds 2 Baths 1 Car

## PROPERTY DETAILS

Charming main level condo in coveted Kissing Camels. Located in a gated community with beautiful views, walking trails and mature trees and impeccable landscaping, this area has so much to offer. The home features beautiful hardwood flooring throughout with tile in the kitchen and baths. The living room hosts a beautiful wood burning fireplace and walk out to the private patios that backs the an open green space. The master has attached updated bath and tons of closet space. The second bath is also updated with appealing finishes. The kitchen flows into the dining area and offers a counter bar with granite top. Storage is not an issue in this home as it has a large crawl space and detached one car garage with an additional storage room. Located near shopping dining and many other amenities, with easy access to the interstate and downtown Colorado Springs!
