PROPERTY DETAILS

Discover a stunning 40-acre horse property in Plum Creek Valley, featuring rolling hills and a completely remodeled "Lodge." The open floor plan boasts exposed log beams and breathtaking valley views. Enjoy the expansive wrap-around deck with a new outdoor kitchen, grill, and fire feature. The updated kitchen includes granite counters, a 6-burner cooktop, and a custom dry bar. The main floor primary bedroom offers a cozy sitting area and private deck access, while the luxurious bathroom features heated floors. The walk-out level includes a theater and second kitchen, perfect for an in-law suite. The property also features a new 40x50 barn with utilities, a garden area with a greenhouse, and over \$50,000 in landscaping.
