PROPERTY DETAILS

Buyers are going to LOVE this gorgeous updated ranch style home with a professionally finished basement in Centennial Acres. Bonus--Seller will payoff the existing loan for the NEW solar panels. Imagine having an electrical bill for only a few dollars a month! Property sits on a large corner lot with lots of potential for an additional oversized garage. This lovely home is nestled on a quiet street in a quiet established Englewood neighborhood. This open floor plan home was totally updated recently, and lightly lived in. This homeowner took pride of ownership in everything! Enjoy the spacious living room that overlooks the front yard and raised flower garden. REAL hardwood floors that are in excellent condition. Great floor plan with three spacious bedrooms on the main floor. The kitchen has been updated with slab granite, newer appliances, gorgeous cabinets with practical pull outs. Main floor bathroom has been tastefully updated. NEW windows on main level. Next comes the awesome basement with a large family room, an additional conforming bedroom, updated 3/4 bath, office space, and large utility room. NEW carpet and interior paint. Oversized lot with additional entertainment value. No pesky HOA and low taxes. Property offers potential RV parking available off of Bellewood Drive, or build that dream garage and still have a decent size yard. Home has a one car oversized garage and additional off-street parking. Take advantage of the award winning Littleton Public Schools. Home is close to parks, recreation center, shopping, bus routes, light rail stations, business parks, and the mountains. Discover this home guickly.
