## Wonderful Athmar Park Home!

Single Family

2060 SQFT

4 Beds

3 Baths

2 Car

0.16 Acre

## PROPERTY DETAILS

This spacious brick ranch is meticulously maintained and move in ready. Aside from being a 4 bed 3 bath home, the large private backyard and oversized alley access garage are perfect for all your lawn, garden, and storage or workshop ideas! Main floor living is easy in this home with 3 bedrooms and 2 baths on the Main Level, a full bath services the two bedrooms and the primary bedroom is complete with a 3/4 Bath, walk-in closet and has its own rear entry access. The garden level is set up as a Suite with a full size egress window, an office / yoga nook, and its own 3/4 bath. The kitchen is generous in size, storage, and granite countertop space; it's great for entertaining as the kitchen is centered in the home - open to the living room and access' the relaxed backyard covered patio. The backyard is complete with greenspace for your favorite activities, private Alley access to both a generous driveway for your RV or outdoor adventure trailer, and an OVERSIZED 526sf two car garage. Huston Lake only 2 blocks away!
