PROPERTY DETAILS

Welcome to Woodside Village Condominium Community! This first-floor unit features new carpet and paint, an in-unit washer and dryer, and a controlled furnace for heating and cooling. The kitchen has newer appliances, and the great room includes a wood-burning fireplace and a sliding glass door leading to a 16-foot covered balcony, perfect for outdoor dining or entertaining. The primary bedroom boasts a spacious walk-in closet, plus additional storage in the laundry area. Located across from a large park with a dog park and near the Highline Canal trail. This unit is a great value, cheaper than rent, and ready for move-in or investment! Priced to sell! Pictures available 3/14.
