PROPERTY DETAILS

This stunning 5-bedroom, 4-bathroom home in Cobblestone Ranch, Castle Rock, features the sought-after "Seth" floorplan, seldom available. Designed for elegance and functionality, it offers a prime location between downtown Castle Rock and Parker, blending suburban tranquility with easy access to events, shopping, and dining.

Inside, enjoy high ceilings, plantation shutters, and large windows. The main level includes a guest bedroom and full bath. Recent updates feature plush new carpet (August 2024) with a pet barrier pad. The insulated 3-car garage includes a durable floor coating and EV charger.

Cobblestone Ranch offers miles of trails, parks, and amenities like a community pool, tennis courts, playground, and more!.
