

Single Family 1489 SQFT 3 Beds 2 Baths 3 Car

PROPERTY DETAILS

Imagine pulling into the driveway, coffee in hand, surrounded by pine-fresh air and sunlit aspen trees in Deer Creek Valley Ranchos. Step inside to discover a turnkey home with fresh flooring, updated vinyl windows, and two cozy living areas. The kitchen, featuring new butcher block countertops, is perfect for homemade meals.

The primary suite offers a surprising en suite bathroom, fully remodeled last year, and a spacious walk-in closet. Outside, enjoy multiple sunny decks and a massive heated garage for all your hobbies.

With a high-impact roof (2020) and a new septic tank, this home is ready for you. Located minutes from 285 and hiking trails, it's more than a house; it's your peaceful Colorado retreat. Imagine pulling in with the keys this time.
