## PROPERTY DETAILS

Charming & Updated – Move-In Ready Home with Seller Concessions!

Discover this beautifully updated 4-bedroom, 2-bath home with nearly 2,000 sq. ft. of stylish living space. The open-concept design connects a spacious living room to a modern kitchen, ideal for entertaining or family time.

Key features include a newer roof, a/c, furnace, and a refreshed kitchen with contemporary finishes. The detached two-car garage and extended driveway provide ample parking, even for an RV.

Enjoy the generous outdoor space for gatherings or relaxation. While two basement bedrooms are non-conforming, they offer
