

Easy one level living

Townhouse

1529 SQFT

2 Beds

2 Baths

2 Car

PROPERTY DETAILS

Experience easy, single-level living in this updated end-unit townhome near Weaver Creek Trail. This move-in ready home features an open floorplan with engineered wood floors, plantation shutters, and modern lighting. The kitchen boasts granite countertops and ample pantry space. The spacious living room includes a gas fireplace and connects to a versatile office area. The primary suite offers dual closets and a luxurious 5-piece ensuite bath, while a bright secondary bedroom shares a full hall bath with granite and tile. The laundry room leads to a two-car garage with storage and a workbench. Enjoy a newer roof, furnace, A/C, and Quantum fiber internet for fast connectivity.
