PROPERTY DETAILS

This beautifully designed single-family home in Quebec Run, Thornton, Colorado, offers 3,190 square feet of living space, featuring 4 bedrooms and 3 bathrooms. Main floor bedroom next to 3/4 bath help make this home unique. The three-car garage provides ample storage for vehicles and gear.

Inside, the open floor plan boasts vaulted ceilings and natural light. The family room, with a fireplace, creates a cozy atmosphere. The gourmet kitchen includes stainless steel appliances, a center island, and quartz countertops, connecting seamlessly to the dining area adorned with cove ceiling.
