## PROPERTY DETAILS

Welcome to this impeccably maintained, one owner, ranch-style home, perfectly situated on a premium lot backing to open space, a serene pond, and unobstructed Western MTN Views! Designed for luxurious comfort and seamless indoor-outdoor living, this home offers breathtaking vistas from nearly every room—both on the main floor and walk-out lower level. Stunning Vaulted great room features remote-controlled window treatments and Triple-pane windows enhance natural light and energy efficiency. Sun-filled kitchen w/granite counters, Cambria quartz induction island, soft closing kitchen cabinets. Dining opens to a large covered deck—perfect for entertaining with Panoramic Views. Luxurious primary has a newly remodeled spa-style bath, truly a retreat, showcasing dual vanities (one with a built-in TV mirror), Cambria quartz accent walls, soaking tub, oversized shower, dual water closets, and 2 generous walk-in closets. Oversized 3-car w/epoxy flooring, cabinetry, and bright LED lighting. This exceptional home is the perfect blend of luxury, functionality, and scenic tranquility!!!
