PROPERTY DETAILS

Hey there! Picture this: waking up to stunning mountain and forest views in your awesome log cabin retreat in Elk Creek Highlands, sitting on 2 acres of pure Colorado bliss. Check out the video at: <https://v1tours.com/listing/58580/> This cozy spot comes with a spacious open living area, warm wooden vibes, and a killer kitchen island perfect for whipping up meals. Step out onto a huge deck to chill or host a BBQ, surrounded by towering pines and that serene mountain feel. Oh, and check out the massive 42'x36' garage/barn—perfect for stashing your gear, tinkering in a workshop, or whatever you're into! Nearby, you've got Mount Blue Sky for epic hikes, Tanglewood trail plus many other nearby trails, Staunton State Park for outdoor fun, and the chill historic downtown Bailey to explore. Don't let this gem slip away—hit us up for a tour and make it your new hangout!
