PROPERTY DETAILS

This exceptional single-family home in the Springtree community of Stuart, Florida, offers 1,670 square feet of living space with 3 bedrooms and 2 bathrooms, perfect for families or those seeking a spacious retreat. The open-concept design features vaulted ceilings and recessed lighting, creating an inviting atmosphere. The gourmet kitchen includes high-quality gas stove, granite countertops and backsplash, and a functional island, ideal for cooking. The family room, filled with natural light and crown molding, leads to an outdoor area with a private pool and patio, perfect for gatherings. The home has full impact doors and windows and a newer roof for peace of mind. Springtree residents enjoy a gated community with a tot lot and picnic area, close to shopping and dining, making this a prime Florida living opportunity.
