PRICE \$1,295,000

Sought-after Berkeley neighborhood, 3 minute to Tennyson St. District

 Single Family  1636 SQFT  3 Beds  2 Baths  1 Car

PROPERTY DETAILS

This exceptional single-family home in the sought-after Berkeley neighborhood of Denver features a well-designed floor plan with 3 bedrooms and 2 bathrooms across 1,636 square feet. The kitchen boasts high-end stainless steel appliances, granite countertops, and custom field stone cabinets, all complemented by original hardwood flooring. The living area has a striking brick fireplace, while the dining space is filled with natural light. The primary bedroom offers a spacious retreat with a generous closet, and the finished basement provides versatile space for an office or recreation. The outdoor area includes a private fenced yard and patio with a fire pit. Residents enjoy nearby parks, diverse dining, and the beauty of Berkeley Lake, making it ideal for an active lifestyle. Minutes from Tennyson Street District.
