PROPERTY DETAILS

This Black Hawk gem is full of surprises—from the cozy, tree-lined exterior to the bright, open interior that feels like a breath of fresh mountain air. The living space flows effortlessly into a clean, a kitchen with vintage charm, while the bathroom offers a spa-like vibe with double sinks and eye-catching tile. Bonus: there's a wine wall that practically begs for your next celebration or quiet night in. Located near the heart of historic Black Hawk, you're just minutes from the casinos, restaurants, and shops that give this mountain town its energy. Craving the outdoors? Golden Gate Canyon State Park is right nearby for hiking, biking, and weekend picnics. Plus, you're close to Central City, scenic drives, and plenty of hidden gems waiting to be discovered. This isn't just a house—it's a lifestyle. Whether you're looking for a full-time home, weekend escape, or rental opportunity, this place has endless potential. But don't just take our word for it—come see it for yourself. Schedule a tour today and start your next adventure in Black Hawk!
