PROPERTY DETAILS

This charming Denver home, built over 130 years ago, offers a unique opportunity to own a piece of history. Located minutes from Empower Field and Coors Field, it features two bedrooms, a bathroom, kitchen, and laundry on the main floor, plus access to a patio and two-car garage. The unfinished basement provides potential for customization. While the exterior showcases vintage charm, the interior is modern and ready for your personal touch. The backyard is perfect for entertaining or relaxing, with space for summer BBQs or morning coffee. Essential appliances are included for a smooth move-in. This property is ideal for a family home or renovation project in a prime location.
