PROPERTY DETAILS

Welcome to 6832 S. High Street! This 4-bedroom, 3-bath home sits on a nearly quarter-acre lot with classic brickwork and RV parking. Enjoy mornings on the front porch surrounded by mature trees. Inside, hardwood floors brighten the living room, leading to a formal dining room with sliding glass doors to a lush backyard. The eat-in kitchen features warm cabinetry and a coffee bar, overlooking the family room with a gas fireplace that's ideal for gatherings. A lower-level bedroom and bath offer convenience for guests. Upstairs, the primary suite has a private bath, with two additional bedrooms sharing a full bath. The finished basement includes a rec room, while the backyard boasts a patio, garden beds, and ample lawn space. This home has a newly painted exterior and a radon system. Close to shops, restaurants, and golfing, with easy access to I-25 and C-470, combining suburban living with convenience.
