

 Single Family  3158 SQFT  3 Beds  3 Baths  2 Car

## PROPERTY DETAILS

This beautifully updated patio home, is in a sought after gated community, and offers the epitome of main level living. The primary suite is a peaceful retreat, boasting a 5-piece bath and walk-in closet for ample storage. The heart of the home is the stunning kitchen with updated appliances and gorgeous granite countertops that is the center of the home. The open floor plan is bathed in natural light. The basement allows for additional entertaining. The basement carpeting and padding were removed due to a leak in an egress window well. It also features an additional bedroom and bathroom on the main floor. Step outside to discover a fantastic outdoor patio which needs some TLC. Come and take a look before this one is gone. Property is being sold "AS IS". This is a Trustee Deed.
