PROPERTY DETAILS

A beautifully remodeled home! Located on the north side of Longmont. This charming 3-bedroom, 2-bath home has been thoughtfully updated throughout its comfortable 1,272 sq. ft. of living space. The inviting exterior, garage, and freshly painted interior and exterior give it instant curb appeal, while a roof less than five years old means it's move-in ready. Step inside to a bright, airy living room with vaulted ceilings. The open kitchen features stainless steel appliances, stylish gray cabinetry, and a beautiful backsplash. The kitchen and living area flow seamlessly to a spacious new deck overlooking a large, fully fenced backyard—perfect for entertaining, barbecues, or simply unwinding under the trees. Beautiful cork flooring runs through all main living areas, and both bathrooms have been tastefully remodeled in recent years. Energy-efficient windows brighten the front of the home, while the primary bedroom offers its own sliding glass door to the deck. Whether you're enjoying your backyard spa, gathering with friends, or exploring nearby parks, this home is a place to create lasting memories.
