PROPERTY DETAILS

🏡 Welcome Home! 🏡 This updated ground-floor condo features 3 bedrooms, 2 baths, and an open-concept kitchen ideal for entertaining. The cozy living room with a fireplace is perfect for relaxation, while the private covered patio extends your living space outdoors. Located just blocks from Standley Lake and near the community playground and pool, this home offers comfort and convenience. Recent updates include fresh interior paint, a new patio door, updated doors and hardware, modern lighting, and a newer water heater and HVAC system. Move-in ready and beautifully maintained, this home blends style, comfort, and an unbeatable location.

This home has many updates including but not limited to: Painted kitchen cabinets, new knobs, sink, granite counters & newer appliance. Whole house has newer Luxury Vinyl Plank flooring, baseboards, doors/frames and hardware. Bathrooms have been updated sinks, lighting & vanity. New patio door to private covered back patio. Newer furnace & water heater. Plus all new faux window blinds & screens throughout!
