PROPERTY DETAILS

Stunning Ranch in Blackstone Country Club – Perfect for Multigenerational Living! This well-maintained 4 bed, 5 bath ranch spans 5,144 sq ft in the prestigious Blackstone community within the Cherry Creek School District. Situated on a corner lot, it features a serene front water feature, covered porch, and mature landscaping. The impressive backyard includes a flagstone patio and a covered area for dining and entertaining, equipped with an electric fence for pets.

Inside, the main level boasts an open-concept design with a spacious primary suite, a secondary bedroom with a private bath, a dedicated study, and a chef's kitchen. The newly finished basement offers a second primary suite, reading nook, and expansive family room with a wet bar. Blackstone provides a lifestyle with exceptional golf, a renovated clubhouse, pool, fitness center, and community activities. Conveniently located near shopping and dining, this one-owner home combines luxury and functionality. Welcome Home!
