

Townhouse

PROPERTY DETAILS

Experience luxury mountain living in Genesee! This stunning property features nearly 4,500 sq ft of refined space, a spacious 2-car garage, and a main-level primary suite. With 2 large bedrooms upstairs and a non-conforming bedroom/home office in the basement, it's perfect for families. The expansive great room, complete with a wet bar and gas fireplace, is ideal for entertaining while enjoying breathtaking views. Enjoy direct access to hiking trails and resort-style amenities like pools and tennis courts. Conveniently located just minutes from shopping, dining, Red Rocks Amphitheater, and downtown Denver, this home offers the ultimate Colorado lifestyle with low-maintenance living.
