PROPERTY DETAILS

This 4-bedroom, 4-bath home features a finished basement and a bright office/loft/flex space on the top floor—giving you all the room you need to spread out, work, and entertain. The main level offers an additional office option, it is currently used as a piano room. Built in 2008, this has one of the largest floorplans in Shoenberg Farms (3261 Square Feet). 3 bedrooms upstairs and a lower-level bedroom with a full bath—perfect for guests. The basement has tons of storage and would make an amazing movie room. Positioned next to open space (Faversham Park), you'll enjoy walkable trails and nature right out your door and still just a few blocks from Sheridan for quick access to Denver and easy access north as well. If you're looking for size, versatility, and a hard-to-beat location, this one checks all the boxes.
