## PROPERTY DETAILS

This custom-built home features 4 bedrooms, each with a private en-suite bath, and 4 full baths plus 2 half baths. Every detail, from handcrafted beams to bespoke cabinetry, showcases artisan quality. The grand living room boasts custom wood beams, a stunning library wall, and a dramatic fireplace. A 16-foot retractable patio door opens to an outdoor living space with market lighting, an outdoor fireplace, built-in BBQ, and serene views. The chef's kitchen includes touch-activated cabinetry and premium finishes. The main-level primary suite offers a spa-like bathroom and expansive closet. The finished basement features a movie theater, wine cellar, and bar, with potential for an in-law suite. Equipped with Starlink internet, solar power, and an EV charger, this home is perfect for horse lovers and is a turnkey luxury opportunity.
