PROPERTY DETAILS

Built in 2020, this well-maintained 3-bedroom, 2-bath home offers 1,396 square feet of living space on a 7,536 square foot lot, facing open space for added privacy and peaceful views.

Unlike many new builds, this home features completed landscaping, a full sprinkler system, a new deck, and fencing, allowing for immediate enjoyment of the outdoor space.

The open-concept layout is perfect for daily living and entertaining, with a kitchen that flows into the dining and living areas. Smart home features enhance convenience and security.

The spacious primary suite has a private bath and generous closet, while two additional bedrooms provide flexibility.

With contemporary finishes and thoughtful upgrades, this home blends comfort and Colorado lifestyle living. Don't miss the
