PROPERTY DETAILS

This charming turn-key end unit townhome is located in the heart of Brighton, surrounded by mature landscaping, parks, and established neighborhoods. The interior features a welcoming enclosed front patio/sunroom, three bedrooms, three bathrooms, open living and dining spaces, and a sunny updated kitchen featuring white cabinetry, quartz countertops, stainless appliances and a quintessential window over the sink. Two spacious bedrooms filled with natural light occupy the second level and as well as a full bathroom with separate vanities. Bonus space in the finished basement would make a great playroom or additional lounge area, and the adjacent bedroom with private en-suite full bath is perfect for guests or working from home. The basement laundry room provides for extra storage space, and the washer and dryer are included. Relax or entertain on your private enclosed covered patio, with gate access to open green space with plenty of room for all of your summer games. Rare detached oversized two car garage has plenty of room for your vehicles and additional storage. Residents enjoy use of the community clubhouse with indoor pool, fitness center and meeting space, along with numerous green common areas scattered throughout the community. *NEW FURNACE | COVERED PATIO | UPDATED KITCHEN | TWO CAR GARAGE | LOW MAINTENANCE LIVING | MOVE-IN READY*
