

 Single Family    4343 SQFT    4 Beds    2/1 Baths    3 Car    0.14 Acre

## PROPERTY DETAILS

This isn't your typical home—nothing else in the neighborhood compares. This beautifully upgraded two-story features four bedrooms, three baths, and designer-selected finishes throughout. From the inviting covered front porch to the custom lighting and functional mudroom, every detail stands out.

The kitchen shines with an oversized eat-in island, perfect for gathering and everyday living. Upstairs, a versatile loft offers additional space for a media room, office, or play area, while the unfinished basement is ready for your vision.

Enjoy the extended back patio with both covered and uncovered areas, garden beds, and a matching storage shed. Added attic insulation, vents, and a solar system help keep utility costs low, with the option for removal if preferred.

Complete with a three-car tandem garage, this home is thoughtfully designed, beautifully finished, and truly a must-see.
