PROPERTY DETAILS

Charming updated ranch home in Englewood with paid solar, garage, and bonus room! This 2-bedroom, 1-bath bungalow combines classic charm with modern updates. The spacious family room and dining area feature a built-in hutch. The kitchen and bathroom are nicely updated. The main floor includes two bedrooms and a versatile bonus room for an office or playroom. The finished basement offers additional living space with a non-conforming bedroom and laundry area. Enjoy a fully fenced backyard, perfect for pets and entertaining, plus an oversized detached garage for extra storage. Key improvements include a paid solar system (2020), new furnace and AC (2015), and new siding (2018). Located near parks, shopping, and major routes, this move-in-ready home is a must-see!
