PROPERTY DETAILS

Charming 1907 Bungalow — Where History Meets Modern Living. Step onto the covered front porch and feel it right away — this home has soul. Built in 1907, this beautifully updated bungalow blends original charm with thoughtful modern touches throughout.

Inside, a bright open living and dining space welcomes you with rich hardwood floors, a bold emerald accent wall, and tons of natural light. The updated kitchen is a showstopper, sage green cabinetry, stainless steel appliances, with quartz countertops, and a fresh, functional layout perfect for cooking and entertaining. A cozy sitting room with a wood-burning stove and eclectic wallpaper accents offers a warm, unique retreat. Layout includes: 1 bedroom + full bathroom on the main floor. 3 additional bedrooms Upstairs, 3/4 bathroom upstairs with upstairs laundry for everyday convenience. Rooftop deck with wrought iron railing — a rare and unforgettable outdoor space. Covered front porch with classic awnings. Fenced yard for the four-legged friends, mature landscaping, 2 car detached garage, 1 carport and additional space for recreational toys. This home comes with real character — original bones, modern comfort, and a rooftop deck you won't find just anywhere. Charm like this doesn't come around often. Come see
