PROPERTY DETAILS

Discover a home that truly feels like yours in Southshore. This ranch-style residence boasts upgrades that elevate it beyond standard finishes. With 9-foot ceilings and oversized windows, the main level features 3 bedrooms, 2 baths, an open great room, a quartz kitchen island, and an upgraded primary suite with a California Closet.

The stunning open staircase leads to a newly finished lower level (completed Spring 2025) with 2 additional bedrooms, a versatile flex room, and a luxurious spa-inspired bath with heated floors and a steam shower.

Enjoy energy efficiency with fully paid-off solar panels and a tankless water heater. The outdoor space includes a covered patio and lovely landscaping. Southshore offers community centers, pools, parks, and trails, making this home a must-see!
