PROPERTY DETAILS

Enjoy privacy and views from this Morrison, Colorado custom built home that captures the peace you've been looking for on 8 walkable acres. Inside you will be greeted by oak floors and vaulted ceilings that open up views of the pines and nearby hills. The kitchen features cherry wood cabinets and embraces an open concept that gives you views throughout the main level. Clerestory windows bring in natural light and improve airflow on warm summer evenings. The main floor primary suite with vaulted ceilings is just down the hall from the renovated and spacious laundry room. Downstairs, a large open family room is ready for you to host guests and enjoy the warmth of the gas fireplace. A few of the property details: Mt Rosalie and Blue Sky views, whole house generator, hot tub, natural gas, fire mitigated property, reverse osmosis water purifier, 3 bedroom septic suitable for 6 people, fenced garden and main floor laundry. If you are looking for a well maintained home - this is it!
