PROPERTY DETAILS

Discover this rare end unit in NorthPark East, featuring nearly 2,000 square feet of flexible living space across three levels. Thoughtful updates give it a modern feel, with smart outlets, custom window coverings, and beautiful trim. The open main level is filled with natural light from soaring ceilings and large windows, highlighted by a cozy fireplace and new white oak flooring. The kitchen boasts marble countertops and stainless steel appliances, connecting easily to the dining area with a bay window and sliding door to the patio. Upstairs, a versatile loft and spacious primary retreat with two closets await, along with a second bedroom and updated bath. The finished basement includes a bedroom, gym, large laundry/utility room, and updated bath. Enjoy community amenities like walking paths, a pool, and sports courts. Located minutes from parks, shopping, and dining, this home is move-in ready.
